Philip Lindeman raps Goldwater

GOP Candidate Voting for LBJ

Philip Lindeman, a Republican candidate for Essex County freeholder, last night vigorously denounced the head of the GOP ticket, Sen. Barry Goldwater.

"It would be a bad thing for this country if he were elected," Lindeman declared at a special meeting of the Newark branch of the National Association for the Advancement of Colored People. And he told a questioner: "Of course I'm going to vote for Lyndon Johnson."

Lindeman's unexpected attack on the Arizona senator, was the highlight of the NAACP's annual "Candidates' Night" at which a total of nine congressional, free-

Name Veiled On GOP Sign

The name of a Republican freeholder candidate, Philip Lindeman, has been defaced on a 20-by-4-foot sign above the Millburn-Short Hills Republican Club campaign trailer in Millburn Ave.

Richard Larsen, club president, said "it was obviously the work of a prankster."

Larsen said the club voted to support Lindeman though they were "disappointed" by his endorsement last week of President Johnson for November re-election.

LESLIE L. BLAU

Dear Friend:

As you know, my good friend Philip Lindeman is running for the office of Freeholder of Essex County on the Republican ticket. I have always had great admiration and respect for Phil's integrity and high abilities and I write you now to ask you if you would join me in voting for him on election day.

Philip Lindeman bears the name of his grandfather, who served this community so ably for 24 years as a Freeholder and as a civic and social leader. Everything that Phil has done since his graduation from Yale Law School has indicated that he bears the name honorably. As a lawyer, Trustee of his Synogogue, member of the Board of Directors of the Fuld Neighborhood House and as an active participant in all of the recent United Jewish Appeal drives, Phil has demonstrated his deep commitment to civic and community affairs. As a former State Assemblyman, he was a credit to this State and County.

Phil's background and dedication to principles that you and I hold so dear make it imperative that people of his character be elected to the Board of Freeholders. As a former Freeholder of Essex County, I wholeheartedly urge you to vote for him on November 3rd.

Very sincerely yours,

Leslie Blau
